

JAIIRY BORDON

INDEPENDENT SOFTWARE DEVELOPER

CUSTOM DIGITAL SOLUTIONS

CLEAR TECH FOR REAL PROBLEMS.

From websites to complex digital systems, I turn ideas and processes into professional digital solutions.

01 APPLICATIONS AND SYSTEMS

Web experiences, internal tools and digital systems adapted to real needs.

02 AUTOMATION AND INTEGRATIONS

Workflows and connections that help reduce repetitive tasks and organize processes.

03 PROTOTYPES AND CUSTOM SOLUTIONS

Functional concepts to validate an idea, improve an operation or start a digital product.

Let's talk about your project

A conversation can be the first step toward a clear solution.
